Your senior year comes around once in a lifetime and will most likely be the last formal portrait you have taken before your wedding day. I will do what it takes to make you look good, whether in the studio or at a location of your choice.

We offer unlimited clothing changes,
and unlimited poses.

I spend plenty of time with you to get your senior portraits just right.

Each session is customized to fit your needs.

I encourage you to bring the things that visually describe your senior year;
musical instruments, sports uniform, game ball, letterman jacket,
and anything else that represents YOU!

Retouching for removing moles, scars, scratches, bruises and birthmarks,
glass glare removal, stray hair removal and braces removed
are available for an extra charge.
