

Thank you for choosing
Weber Photography

Your senior year comes around once in a lifetime and will most likely be the last formal portrait you have taken before your wedding day. I will do what it takes to make you look good, whether in the studio or at a location of your choice.

We offer unlimited clothing changes, and unlimited poses.

I spend plenty of time with you to get your senior portraits just right.

Each session is customized to fit **YOUR** needs.

I encourage you to bring the things that visually describe your senior year; musical instruments, sports uniform, game ball, letterman jacket, and anything else that represents **YOU!**
